

## HEALTH & PRODUCTIVITY

Medical claims driven by chronic conditions make up for approximately 75%-80% of your claims spend.

At AssuredPartners, we understand this, and will develop solutions for your most pressing issue today, the health of your employees. We provide you with the best plan, products and services to improve quality of life, increase productivity and reduce the incidence and severity of unhealthy events. We will partner with you to develop initiatives to ultimately create a culture that supports and encourages healthy lifestyles.
